Subject: [Jo's List] THANKS Williams F.D. !
To: Joslist <joslist@oigp.net>

BIG UPS to John and the Williams Fire Department crew, for the large Chipping job on our property.

We had/have many slash piles left from a Forest Service thinning project; Lots of hard work!, and the team did a very nice job; timely, efficient, and spreading the chips around.'

With appreciation
Paul and Larken Safady
